The Trossachs. A beautiful romance defile, lying
[illegible] the Western Highlands. It extends from
Loch Achray to Loch Katrine, between the mountains of

Dear Miss Howe.

I call it a romantic
kind of place. Mrs. Orchard
and I were over last week.
Isn't it beautiful. So glad you
are having a change together
I suppose it will be a happy
meeting when you come over on
your return. Been so busy
lately. Love
